

### **Bounce House Party**

Our bounce house party includes one hour in one of our 15'x15' bounce houses. Each bounce house can hold up to 10 children at a time monitored by your birthday party coordinator! You may also add on a second bounce house for a small fee. Our bounce house party price is unbeatable because you get the bounce house rental with the room rental for less than most companies charge for the bounce house rental alone!

### **Youth Room Party**

Our Youth Room Party includes one private hour in our YMCA youth room. The youth room includes 2 pool tables, air hockey table, fooseball table, Nintendo Wii, TV, Board games, drawing boards, and More! Make your child's party the best by booking a youth room party!  
(youth room parties are not available during the 11:00 or 12:00 party time on Saturdays)

### **POOL PARTY**

Our pool party includes one private hour in the pool for you and your guests. A lifeguard is always on duty to ensure a safe fun time in our YMCA Pool. The pool slide is also available for a small fee! Children must be able to swim the width of the pool to use the slide.

### **Pool PARTY**

This will take your Pool Party to a whole new level! Bring a CD/Ipod of your favorite songs or listen to your favorite radio station blasting over our speakers while the overhead lights are shut off and the dance party lights send spinning beams of colored light all over the pool walls. The glow of the underwater lights sets the mood for the "Dance Party" atmosphere in the POOL!
